Spring Issue—1979

Camp Susquehannock

Brackney, Pennsylvania

Publishers — Edwin H. Shafer
George C. Shafer, Jr.

Editor Emeritus — J. D. Titman
Editor — Arline Slagle

DON'T MISS THE BOAT

Each day's mail brings more applications for enrollment and the number of remaining spaces in both camps grows smaller each day. This is particularly true of the First Half Season. SO, if you're planning to enroll for the 1979 season, mail your applications as soon as possible. We would hate to say "NO ROOM" to any of our "old" campers!

THE CHANGING OF THE GUARD

After 20 seasons and 195 wins as the Head Coach of Varsity Soccer at Kent School, MR. ROBERT PARTRIDGE announced his retirement at the end of the 1978 season. He ended his coaching career with a 15-2-1 WNEPSSA league championship.

"MR.P" is a graduate of the University of Pennsylvania where he played varsity soccer and baseball. In his senior year, he was an All American captain of the soccer team.

Of the future, "MR.P" says, "I'll be an avid fan." He will continue to teach history at Kent and remain in his post as Athletic Director. And, of course, he (along with "MRS.P") will continue to head the Junior Camp at Susquehannock and turn out lots of soccer players through the excellent training he and his counselors give the campers.

KEVIN HUNDLEY has been named to replace MR. PARTRIDGE. We wish him the best of luck with this challenging assignment!

CAMP SHIRT DAY

President John Howe of the American Camping Association issued a proclamation on December 1, 1978 proclaiming the first Tuesday of each month as "CAMP SHIRT DAY." He would like every camper to wear a camp shirt to school in order that others will see how many of their friends go to camp. In this way, you might find a school mate who would be interested in Susquehannock and might earn yourself a Loyal Guard Jacket.

This year, for the first time, we will be welcoming campers from the Province of Quebec. We are very happy that MARTIN LAMARRE and JEAN FRANCOIS LAPOINTE will be joining our Susquehannock group.

Among those escaping the horrible February weather was TODD HARRIS who visited his grandparents in Fort Lauderdale, Florida. TODD has been busy playing defenseman on his hockey team and, when he wrote his letter, had 2 goals and 7 assists. He had played only 3 basketball games and already had scored 16 points.

We were sorry to hear that GEORGE KELLY has been having knee problems, and has been unable to train. He's hoping they will be in shape so he can run and train while at camp. GEORGE is an Accounting Major at the University of Pittsburgh at Johnstown and reports that school is going well.

We are proud to announce the return of SCOTT JOHNSON to our Camp Susquehannock staff. SCOTT was a counselor in 1974 and 75 coming to us from Kent School. He is now a graduate of the University of Maine and a teacher at the Indian Mountain School in Lakeville, CT.

TOMMY HANSON took advantage of our snowy winter and skied as often as possible at Greek Peak. He also played intramural basketball at his school and is now looking forward to playing Little League Baseball.

It always makes MR. ED and MR. GEORGE very happy when campers like Susquehannock well enough to bring younger brothers with them to camp. We welcome the following new campers:
PETER DAWSON brother of WILL
ERIC ROZEN brother of Steven
PAUL RUIG brother of PIETER
MAURY UDELL brother of HARRAN
COLIN KAISER brother of CHIP AND CHRIS
ALESANDRO GOMEZ DE PARADA brother of JAVO and MIKE
BRIAN and MIKE MCLENDON brothers of ERIC
CHRIS WITTMANN brother of CHIP
ANDY VASSALL brother of ERIC and IVAN

Over the years, we have found that Susquehannock campers are very busy people! JIMMY RABUCK proves this point. Not only does he get A's and B's on his report card, but he has found time to play guard and end on the Middletown Blue Raiders football team and do a lot of fishing and boating in good weather. In March he had a trip to the mountains. He also was fortunate enough to see the Harlem Globetrotters play.

It is unusual when BUNAC counselors can return for a second year and we are just delighted that JULIAN COTTENDEN is going to join us again. After an absence of one summer DEREK HEATH will also be returning to work in the Junior Camp Nature Lore and Ecology program

WINTER WEEKEND I set records for frigid temperatures. The first morning it was 19 degrees below zero and the second morning, 16 below. The snow was excellent for snowmobiling and the skiing at Greek Peak was good. This was the longest Winter Weekend on record because the Philadelphians were SNOWED-OUT of Philadelphia. On a beautiful, sunny day at Susquehannock, Philadelphia was getting 16" of snow. Instead of returning Monday afternoon, the Winter Weekend group returned with Mr. George on Tuesday morning. The following attended: SANDY ASPINALL, GRAN CHALLENGER, WENDELL CHESTNUT, SCOTT ENGLE, TED IGNATOWSKI, PHILIP JOHNSON, MIKE KANE, BEN MCCUTCHEON, COLIN MCKIEL, BEN MILLS, DAN PIERSON, RODGER STRICKLAND, and GARY WILLETS. BOB HAYDEN was there as an able assistant to MR. ED and MR. GEORGE.

BEN MILLS must have enjoyed himself because he has enrolled for the 1979 camp season.

We were indeed sorry that WINTER WEEKEND II for "nearby" campers had to be cancelled. Only a few boys applied, and, as it turned out, it rained all that weekend at Susquehannock.

As this goes to press, RICK BOTNICK is preparing to leave with his youth group from the Binghamton First Presbyterian Church for a week in England. JIM DAVIDGE will also be making this trip. RICK played freshman soccer in the fall and is looking forward to the spring soccer season. He did a lot of skiing, earned his Black Belt in karate, and at present is playing lacrosse.

Not to be outdone by brother RICK, MARK BOTNICK has earned his Junior Black Belt in karate. He also played soccer in the fall, and was named to the All Star Basketball team at his elementary school. MARK has just finished trying out for a Little League team in the Vestal League and has earned a place on one of the Major League teams. Congratulations, MARK!

We are always happy to welcome back campers who have missed a season or more, so a BIG WELCOME BACK to GEORGE ABRANTES, ERIC BLOOM, JOSH BYRNE, PAUL JUSTICE and STEVEN ROZEN.

Honors for being the first to enroll for the 1979 season go to four brand new campers: JIMMY ZUG, GLEN HANNON, and DAVID and NICHOLAS JOHNSON. Among returning campers, JIM KIRTLAND was the first to enroll, followed in close order by TIM GODFREY, DAVID and HEDRICK BELIN, GRAHAM KEEVEF RANDY MCCORMICK and CRAIG SEDA.

THE CAMP SHOP INC., 565 Fifth Avenue, New York City, 10017, has just been designated as the official outfitter for Camp Susquehannock. If you are enrolled in camp for the coming summer, you may already have received our camp clothing list printed by the camp. The Camp Shop lists were not available at the beginning of Early Enrollment and therefore some of you may have received only the mimeographed clothing list. Some parents have found it difficult to obtain all of the items necessary for camp and we are offering the service of the Camp Shop for the convenience of these parents. One of the advantages of using the Camp Shop is that they will sew name tapes free of charge on all orders received prior to May 1.

After EIGHTEEN straight summers at Susquehannock, DR. and MRS. DOANE and family are going to take a summer off to visit their daughter "A" who has been studying in England this past year. In their place at Susquehannock will be DR. and MRS. WILLIAM BARRY who were at Susquehannock from 1966 through 1972. We are happy to welcome the BARRYS back to camp.

Hats off to LARRY DECKER who has taken on a morning paper route! Rising time for LARRY is 5:30 a.m.! He works hard in school but has found time to play basketball and take part in a number of the activities at the Jewish Community Center. LARRY had a great trip with his aunt - a sightseeing tour of New York City.

Congratulations to BOB SLAGLE on being elected President of the Suburban Football Officials Association. The association is composed of officials from Cecil and Harford Counties in Maryland and New Castle, a Delaware County.

MR. WESLEY CUNINGHAM, a former staff member, celebrated his 90th birthday in January and received 68 birthday cards and notes from his many friends.

This summer, Susquehannock will have FIVE trios of brothers in attendance: JAVO, MIKE and ALESANDRO GOMEZ DE PARADA, CHIP, CHRIS and COLIN KAISER, JEFF, STEVE and DARREN LOEW, ERIC, BRIAN and MIKE MCLENDON and ERIC, IVAN and ANDY VASSALL.

We were sorry to learn that MAX HOPKINS had the chicken pox this winter. ROB HOPKINS has been busy with Cub Scouts and school activities. He is in the fifth grade chorus and choir and plays trombone in the fifth grade band. He and MAX were both in a play called "Gallileo and Snow White and the Seven Dwarfs."

Putting his Susquehannock soccer experience to good use, CHRIS RUSIN played for the Back Mountain "Cosmos" for the full season. He also found a new hobby this fall, flying model rockets. CHRIS says he is looking forward to camp this summer and that is news we always like to hear.

Steeler fan, DAVID BELIN, must have been very happy after the Super Bowl! He was in a basketball league and did very well. We're happy to report that he is also doing well in school.

HEDRICK BELIN is another one of our basketball players. This year he is taking drum lessons at school. HEDRICK, like DAVID, is also doing well in his school work.

TREY and MATT PRYOR are now living in the Philippines. They moved the beginning of January. If you want to drop TREY or MATT a line, their address is Box 536, USNAVCOMMSTAPHIL, FPO San Francisco, CA. 96656

All of the YOUNG family have busy schedules! MR. YOUNG coached the Collingswood Tennis team in the fall and finished third in the conference with an 11-5 record. DAVID was starting guard and linebacker on his freshman football team which had an outstanding year. He followed football with basketball. WENDY keeps busy with competitive swimming and in the fall she also played soccer. MISSY is active in her church youth group and is a member of the Bell Choir at Cherry Hill East. MISSY will be assisting in the Leather Shop again this summer. MRS. YOUNG'S job with the Girl Scout Council is now full time and with the daytime hours and the night meetings, she is kept stepping.

BILL WREAKS is having another good year at South Kent where he has made the Honor Roll and is president of his class. Congratulations, BILL!

PHIL Hiestand played quarterback for the Strafford Eagles 80 lb. team and they ended the season as co-champs. In addition to his quarterbacking duties, PHIL also kicked off, punted, and kicked the points after touch-downs. (Sounds like HARRY all over, doesn't it?)

Another of our busy campers is CHUCK LOWE. CHUCK and DAVE GEARY played on the same soccer team and played CHIP WITTMANN'S team in the fall. (Ed. note: They didn't say which team won.) CHUCK also played basketball, wrestled and skied. He must manage to sandwich a little schoolwork in between his sport and social activities because he made the Distinguished Honor Roll. Keep up the good work, CHUCK!

HARRAN UDELL is another camper who will be bringing his younger brother to camp this summer. HARRAN and MAURY had a trip to the Bahamas, Florida and New Orleans. They attended the Sugar Bowl Game in New Orleans and saw Penn State lose to Alabama.

MR. and MRS. SLAGLE were in New Orleans for the Sugar Bowl game also. They thoroughly enjoyed every part of their trip except for the game results. MRS. SLAGLE was ready to give Coach Paterno to the New York Giants!

Speaking of Bowl games - does anyone want two tickets to the January 1, 1979 Cotton Bowl Game? MR. and MRS. PARTRIDGE were visiting GLENN and HOLLY PARTRIDGE in Texas during the Christmas holidays and they had two tickets to the game. Even though they were only 20 miles from the Stadium, the area was having such an ice storm that they couldn't get to the game.

Congratulations to RICH TUITE on his very successful soccer season! RICH'S team of 10 and 11 year olds in the Kearny Youth League were the champions and RICH scored the winning goal in the championship game. RICH also played basketball and is looking forward to baseball. In addition to all of these activities, he won a soccer shooting contest for 5th and 6th grade boys and received a soccer ball as his prize.

Freshman football for Mt. Vernon High School kept CHRIS TIMBERLAKE busy this fall. He and DAN STANTON played basketball for a Mt. Vernon Athletic Association team.

BOB FUNNELL has been having a busy senior year at Kent School and is now waiting to hear which lucky college will have him on its soccer team.

In addition to his college work, ALLEN MATTHIAS found time to play intramural football and basketball at Drexel. He saw WIN SHAFFER once during the fall and has seen DAVID HARTZELL a few times.

MR. ED attended one of the most unique basketball games in the annals of intercollegiate competition. Cornell and Princeton played five overtime periods in Ithaca before Princeton finally won, much to MR. ED's great pleasure. He also saw camp alumnus, PETE CALL who was playing his last home game for Cornell, score his highest point total in his three year intercollegiate career. MR. ED attended with DR. ARTHUR CODDINGTON OF Johnson City, New York, a former camp counselor. (He is also the camp specialist in pediatrics.) At the game, MR. ED saw DAVE KINTIGH for the third time this year. DAVE was Co-captain and linebacker of the Cornell football team and MR. ED saw Princeton play Cornell in the first game of the season and then, with WIN, saw Cornell defeat Penn near the end of the season. DAVE is hoping that his future employment will permit him to spend part of this summer at Susquehannock.

After a year's absence from crew, WIN SHAFFER returned to join the Penn Varsity squad last September. He was stroke of both a 4 and an 8 oared shell at the Head of the Charles Regatta in Boston on the day before his 21st birthday. All the SHAFFER family enjoyed seeing the event. WIN is now rowing with Penn's second varsity boat which is the defending champion of the Intercollegiate Rowing Association Regatta held in Syracuse each June.

The joys of Susquehannock in the off season have been tasted by both BOB HAYDEN and H WILLIAMS. Each brought a group of friends to spend a relaxing weekend at the White House. BOB and group from Swarthmore College were there in early January; H and friends from Franklin and Marshall College were there in late March.

PIETER RUIG liked camp so well last summer that he is bringing his brother PAUL with him this year. PIETER and PAUL are enjoining living in the United States after living for three years in Tokyo, Japan where their Dad, a former Susquehannock camper, was Director of Finance for DuPont Company-Far East, Inc. PIETER has been taking violin lessons and is an active Cub Scout. After taking tennis lessons last summer, PAUL is looking forward to taking more lessons this summer at camp. Both PIETER and PAUL took ski lessons at the Chadds Peak Ski Area this winter.

We were sorry to learn that TUNNY SHOBER'S activities have been severely curtailed by Osgood Schlotter's disease.

Congratulations to KEVIN KULP who has received his High Red Belt in karate.

BOB MICHELE got off to a good start on Penn's Varsity Swim Team and made sizeable drops in his times in both the butterfly and freestyle events. BOB will be available to help any competitive swimmers who want to continue their development during the summer.

TIM TEUCHTLER and DAVID BOTNICK were both entrants in the Binghamton Snow Run. When the editor read over the entrants, it looked as though the whole TEUCHTLER family were competing.

PAUL GLUCK and TOM IMPERIALE, brothers of former campers, will be joining the Susquehannock group this summer. TOM GLUCK, a Junior at Guilford College, was on our staff last year. He is hoping to spend the first semester in Munich, Germany next fall. BOB GLUCK will be graduating from high school and it looks as though he also is headed for Guilford. MIKE IMPERIALE has spent the last few summers touring Europe but this summer will be taking additional courses at Cornell to help him in his Pre-Med major at Villanova.

Another soccer player is JOE TUITE. JOE played on a Kearny traveling team which was also in an indoor tournament. Congratulations to JOE for being named Co-captain of his basketball team. He, like brother Rich, enjoys playing the piano.

Fall was a very busy time for ERIC PUGLISI. He played soccer and scored 24 goals, tying the record. He is on the school Safety Patrol and in a school concert, he and his friends did a special song. ERIC was lucky enough to see the third game of the World Series and all the home games of the New York Giant football team. He celebrated his birthday on January 28th with his friends DANNY NICOLOSI and TODD HARRIS. One of his gifts was a tennis racket so he is now taking tennis lessons.

JIM KIRTLAND is now in the midst of his second year of lacrosse. In the fall, he played JV soccer and did a lot of bowling. He belonged to a ski club and skied whenever possible. He sees quite a bit of STEVE SCHWARTZ and MARK MCKALLOR.

We have a very impressive looking Work Crew lined up for this year. As Who's Who went to press, the following were signed up: JEFF BELL, ERIC BLOOM, MIKE BOYD, STEVE BROWN, JOSH BYRNE, BOB CARSON, JIM DAVIDGE, TIM DOUGHERTY, JONATHAN DUNN, CHRIS HECKSCHER, RICK HULCHER, JIM KIRTLAND, JEFF LOEW, BEN MCCUTCHEON, RICH MORRISON, STEVE SCHWARTZ, and CHRIS TIMBERLAKE.

1978 was the first summer in many seasons that MIKE DOUGHERTY did not spend at least a few days at Susquehannock. He was in the process of changing from being a teacher at the Community School in Tehran, Iran to becoming a representative of the Walsworth Publishing Company in Wiesbaden, Germany. It was fortunate for DOC that he made the change when he did! DOC has traveled all over Europe selling the publishing of year books to American schools. We are very pleased that he has been able to arrange his schedule so that he can come back to Susquehannock this summer.

JIM DAVIDGE played left wing for the Bantam League, Southern Tier Hockey Association travel team. He not only has traveled all over the state of New York but went to Ontario, Canada for a 3 game weekend to play other B & A level Bantam teams. In addition to his hockey, he found time to cross country ski. He is now involved in track and is a member of the Binghamton Central High School track team.

We were pleased to learn that JIM's older sister, ELIZABETH, who was badly injured last fall when she was hit by a truck as she got off the bus from school, is back at school and recovering nicely.

RANDY MCCORMICK has been quite busy since camp. He's been playing the piano, doing a lot of reading, writing plays (Ed. note: Cabin Counselor take note for Campers' Night), and studying social studies and chemistry. He's also been learning to play pool and ping pong. With all these activities, he has still found time to play basketball at the YMCA, roller and ice skate, and cross country ski. Sandwiched in there somewhere was a weekend trip to New York City and the family has plans to go to New Orleans and the Grand Canyon

Some of our campers have moved since the close of the 1978 season. AL CRIM has moved from Illinois to Michigan; RICH MORRISON from Palmyra to Cinnamisson, NJ; JOEL and JOHN GALVAGNI from NY to California; BEN HASKELL from Massachusetts to New Hampshire; COLIN MCKIEL from Coopersburg to Allentown, PA.; JAY NICKELSON from New Jersey to California; MARK SMOYER from Massachusetts to Pennsylvania; JAMIE THOMAS from Pennsylvania to New Jersey; and TODD BERLINGHOF from Tennessee to Georgia.

NED and BEN SMITH have played both soccer and hockey this year. Congratulations to BEN who made the 4th grade All Star Soccer Team. He has heard from RANDY MCCORMICK. NED is in the top ten at Groton Middle School in the 60 yard dash and 600 yard run. Good work, NED!

One of MR. ED and MR. GEORGE's most pleasant tasks each season is the awarding of LOYAL GUARD JACKETS to boys who have attended camp for five years or who have brought another camper to Susquehannock. The following boys will be awarded LOYAL GUARD JACKETS with appropriate patches for attending Susquehannock for 5 seasons.

STEVE BROWN
PIKE CHESTNUT
JIM DAVIDGE
BEN JONES
ERIC BLOOM

STEVE LOEW
COLIN MCKIEL
TIM PERCEVECZ
WILL URBAN
GARY WILLETT

1979 will be the fifth season for several other campers, so we hope you'll get your application in so you'll be receiving a jacket also.

LOYAL GUARD JACKETS are also awarded to returning campers who bring another boy to camp with them. MR. ED and MR. GEORGE very much appreciate all the names of prospective campers that you have sent them. They have contacted these boys and a number of them have already enrolled. Hats off to CHRIS COSTINE who is responsible for 4 new campers. Joining CHRIS in receiving a jacket will be:

SCOTT DRAYER
TIM PERCEVECZ
ERIC MCLENDON
PIETER RUIG
PIKE CHESTNUT
JEFF BELL
CHIP KAISER
KEVIN KULP
ROBERTO MANJARREZ
JAVO & MIKE GOMEZ DE PARADA
CHIPP WITTMANN
GUSTAVO ROOSEN

JIMMY CRAWFORD
DREW MEYERS
SCOTT DUBOIS
CRAIG BURGET
ANTHONY GELLERT
WILL DAWSON
CHRIS KAISER
TONO BUCH
CHUCK LOWE
JEFF PERROTT

DAVID MORRIS has developed his own camp group from Venezuela. Last year he brought GUSTAVO ROOSEN. This summer, GUS will be joined by FRANKIE PALMA and possibly a third boy. DAVID went to Barbados at Christmas. His basketball team in the YMCA league won the championship and were undefeated. He is now pitching for a Little League team.

CHIP WITTMANN and MIKE NEWBOLD are now playing spring soccer on the same team.

KEVIN RAFF has been working hard in school and doing well. He raced for a Greek Peak ski team and in swimming qualified for a big swim meet.

Congratulations to MARY SHAFER on being accepted by both Holderness and Kent. She will attend Kent School in the fall.

BEACON HILL HOCKEY NEWS
(Courtesy of Mike Newbold and Rob Kent)

The Squirt A's had CHRIS COSTINE as their goalie and JOHN FEELEY was a team member of the Squirt B's.

The Pee Wee A's and B's had a number of representatives from Susquehannock campers. CHIP WITTMANN was the captain of the Pee Wees and won the defensive award at the end of the season. Congratulations, CHIP! ROB MALIN played center for the A's while MIKE NEWBOLD played right wing for both the A's and B's. ERIC MCLENDON was a defenseman for the B's, BROCKETT PARSONS was right wing, and JOHN SHIPLEY was goalie.

MATT KEIL was right wing for the Bantam B's.

ANN and CHUCK FARRINGTON have bought a house in Dedham, Massachusetts. CHUCK is in his third year of teaching at Roxbury Latin in Boston.

GEORGE and JACOB VALASHINAS are active members of the Southern Tier Swim Club and both have won 10 first place ribbons in swim meets. The backstroke is their specialty.

BRIAN SHIEL has also had success in Southern Tier Swim Club meets. His specialty is the butterfly. JOHN HALLAHAN, BRIAN's cousin, spent a few days visiting BRIAN in Binghamton because of the crisis at the Three Mile Island nuclear plant.

Congratulations to AMES PARSONS on being accepted at Colgate University under their early decision program! During the winter, AMES gave his lip quite a workout with the Summit High School stage band at its annual Big Band Dance, a four and a half hour marathon. AMES and TIM KENT played first team for the Beacon Hill paddle tennis team.

FRANK and MARK KULBASKI both had roles in "King of Hearts" produced by Showcase Theatre of Wilkes Barre. FRANK, JAMIE and MARK with their parents are going to Poland this summer.

TOM MADDI is another of our Greek Peak skiers. Congratulations to TOM for earning straight A's so far this year.

Travels with Gingie - MRS. THATCHER put 3000 miles on her car in 2 months time last fall. Now she is thinking about driving to North Carolina to spend a few weeks with one of her friends.

We are very pleased to welcome KIP COERPER back to the Susquehannock staff. A big welcome also to his wife, BECKY, and their new baby who will have arrived before the start of the camp season. KIP assisted MR. GEORGE with the tennis program in 1977 and also helped MR. SMITH with Play Night. KIP now teaches at Suffield Academy in Connecticut.

BUNAC, who has sent us so many wonderful English Counselors, will be sending STEPHEN PAYNE and DAVID COOPER to us this year. DAVID is from St. Andrews, Scotland, the town from which ANDREW SUMMERS came. DAVID, like ANDREW, is a fine tennis player. STEPHEN's specialities are many including campcraft, nature study and fishing.

A great letter from BEN WEBER said, "We have about four feet of snow, so the skiing is terrific. I've been skiing at Burke Mt. and Bolton Valley and cross-country at Trapp Family Lodge in Stowe." BEN played soccer in the fall and followed this with basketball. He passed the Vermont Hunter Safety course and was initiated into the rites of deer hunting by CHARLIE KULP, KEVIN'S dad.

JIMMY CRAWFORD played left wing for the Essex County Chiefs Squirt A's.

In the Avon Women's Professional Tennis Tournament held at the Palestra where MR. GEORGE is Chief of Operations, Kathy Jordan upset Tracey Austin. MR. GEORGE coached Kathy Jordan in Gold Cup, which is a Junior Development program. Kathy is now ranked in the top 30 in the world.

REX DYER had an outstanding year on the Episcopal Academy Varsity Swim Team.

Congratulations to COLIN HARRISON who had a starting position on Haverford College's undefeated Freshman Soccer Team.

DAVID GOLD was a starter for the Vestal High School JV basketball team. ROBERT GOLD must be following in his big brother's footsteps because he was the only 3rd grade starter on a basketball team made up of 3rd, 4th, and 5th grade boys at the Binghamton Jewish Community Center. ROBERT also played soccer in a Vestal League in the fall.

BRIAN PELTER played in a Vestal soccer league in the fall, and during the winter was on the 9th grade basketball team at his school and played league hockey.

ALLAN SHAFFER is enjoying very much his first year at Holderness. He played on the "Prep" soccer team, a team for 9th and 10th graders. This winter he played JV hockey and is now endeavoring to make the tennis team. He had a part in "Camelot" and also earned a place in the All State New Hampshire Chorus.

Camp has survived the severe cold weather of midwinter very well and all of the hard surface courts came out from under the snow in beautiful shape. There were a number of ice storms that were beautiful to behold but fortunately not too damaging to trees. Wind storms dropped tree limbs on a couple of electric lines but the damage can easily be repaired. Those who enjoy bouncing on the diving board each summer will be glad to know that new supports have been put in. WINK cuts green oak trees for posts, and when the lake is covered with ice in the late winter, pounds the posts into Tripp Lake's blue clay bed. ALLAN SHAFFER, home on spring vacation, helped in the operation.

POLLY SHAFFER was captain of the Radnor High School field hockey team and was selected All League and All Main Line. She has been accepted by Colgate and Bucknell but is waiting to hear from two more colleges before making her decision about next fall. She is playing lacrosse this spring and will be teaching sailing at camp this summer. ELIZABETH SHAFFER PLAYED on the Radnor Freshman Field Hockey team which was undefeated. She played Gold Cup tennis, swam on the school team and is now playing lacrosse on the freshman team.

STEVE ROZEN did not attend Susquehanna last season for a very good reason. He and his family took a trip by trailer across the United States and back. They traveled via the northern route to California and returned to Binghamton by the southern route. There wasn't much that they didn't see or do on this trip. They drove up Pike's Peak, rode the cable cars in San Francisco, visited Universal and NBC studios, saw Mt. Rushmore and even rode a white water raft down the Snake River. This fall, Steve's soccer team won the league championship. He played basketball this winter and is looking forward to his Bar Mitzvah in June. His brother ERIC, who will be coming to camp this summer must be a good swimmer because he has been winning ribbons in swimming events.

Congratulations to PETER WILSON who has made the Binghamton Central High School Varsity Tennis Team "taxi squad" as a 7th grader! Your editor had a nice chat with TODD WILSON who is a Junior at Lafayette College majoring in Economics.

A great letter from MRS. FAITH SMITH gave the editor lots of news for Who's Who. MRS. SMITH wrote, "The big news is that the Smiths caught a glimpse of MR. ED in a three piece suit when he came to Groton to show MARY around schools. Bellringer Shafer Smith, aged 9 months, is due for kittens mid-April. She is Arabella's spring offspring of '78. The father is a dashing marmalade specimen if anyone is interested in taking a kitten on approval." FAITH writes that she has heard from LOU CRANDALL (he'll be back at camp), JIM MCDANIEL, DOC, and BOB HAYDEN. "Saw LANCE ROBB at the football games where he's star for St. Marks. BEAU PETTINOS plays against Groton for Brooks in soccer and where he's JV hockey goalie (Brooks beat Groton 4-3 thanks mainly to superb goaltending).....BOB COLGATE has been around New England, mostly as a student, he's taking a year off from St. Marks.

During the middle of March, DANNY LEVENE went to Florida to visit his grandfather. He played on a basketball team which finished second in its league. DANNY is now anxious for the Little League season to start.

Over the past few years, campers may have noticed brush and tree stumps in the woods. A veteran woodsman, MR. YONKIN and his sons have been logging over the Susquehannock property. They are taking out only the trees which have reached maturity as indicated by center rot. The trees that are left will grow much more rapidly and in 20 to 30 years there will be a new crop ready to harvest. The hemlock, pine and oak which have been cut have been sawed into lumber for the camp's use. The tops of the trees which are not used for logs or pulp wood are cut up by neighbors to provide another energy source. The deer and the rabbits enjoy the bugs which are left on the branches.

PETER SANBORN along with ROB MALIN has been playing on a YMCA street hockey team.

We have campers coming from far and wide this season. To date, we have boys from England, Hong Kong, Mexico, Venezuela, and Puerto Rico. By the time camp opens on June 28th, it is possible that boys from the Dominican Republic and Colombia will also be enrolled

Congratulations to KEITH KRECH for not only making an All Star soccer team but for winning the Sportsmanship Trophy. He played basketball on a church team and with all these activities, was still able to make the Honor Roll.

BUFF WEIGAND reports that Penn Charter's first soccer game this fall against BOB PARTRIDGE'S Kent School Team was almost Susquehannock versus Susquehannock. Playing for Kent were BOB FUNNELL, BILL PERRY, KEENE MILLER and counselors-to-be BRIAN PERRY and JIM HAGAR. On the Penn Charter team were GEORGE CONNELL, BRIAN COTTER AND JIM DAUTRICH. BUFF's team had a difficult season, losing 8 games by only one goal. He is now coaching the Penn Charter 12 and under baseball team.

DAVE WEIGAND played varsity soccer for the University of Pennsylvania. ANN WEIGAND is now working for a Friendly Ice Cream restaurant. I'll bet they hired her immediately when they saw her smile!

Thanks to EDDIE TREAC for a nice letter and picture of him playing soccer. EDDIE followed the soccer season with basketball and, knowing EDDIE, I'm sure a spring athletic endeavor is keeping him busy. He had lots of snow in his area so we hope he made a lot of money shoveling!

The LOYAL GUARD JACKETS finally have arrived!!! If you had earned a jacket in 1978 but did not receive it last summer, please let us know so that we can either send it to you or hold it until you come to camp. Please indicate if your size has changed.

We are just delighted that two of our former counselors and campers are going to rejoin the staff for the 1979 season! A big welcome to MARK SOLOMON and HARRISON WILLIAMS!

DEB SLAGLE has been taking lessons in Tiffany-style stained glass and is going to offer this activity in her craft shop this summer.

ROB BEATY reports that he has been playing lots of soccer.

TIM KENT has been accepted by Hamilton and Lafayette but has not made a final decision as yet.

DAVE MICHELMAN wrote that in addition to studying, he has been playing a lot of bridge and following "BILLY" around on his basketball circuit. "BILLY" (counselor BILL SOUTHWORTH) had an excellent basketball season on the Hamilton team in spite of an injury which sidelined him for part of the season.

MR. and MRS. RONALD GILBERT, DANNY, CINDY and BETSY who live in York, Pennsylvania, had their bags all packed ready to move to the White House at camp if the Three Mile Island crisis had grown worse.

Three of our veteran campers are returning this year as CIT-2's. BEAU PETTINOE will be returning for his 8th summer and BLAIR JENNINGS and RICH BUSH for their seventh summer.

CHARLIE SLAGLE is living in Kingsport, Tennessee and managing a Phidippides store which sells athletic shoes, clothing and equipment primarily for "individual" sports. The stores were begun by a former Olympic runner and started out by selling running equipment and clothing. They have branched out and as many of you already know, now carry soccer shoes and tennis equipment.

We are happy to welcome to the 1979 staff the following who have "come up" through our counselor training program. GEORGE CONNELL, KEENE MILLER, BILL PERRY and ROB RAHAL.

A number of our present and former counselors will be receiving college degrees this year. Congratulations to:
CARL SHAFFER, College of Wooster
WIN SHAFFER, University of Pennsylvania
JIM MCDANIEL, Hamilton College
BILL SOUTHWORTH, Hamilton College
DAVE MICHELMAN, Hamilton College
HARRISON WILLIAMS, Franklin & Marshall
JEFF RENNELL, University Virginia
DAVE KINTIGH, Cornell University

The SMITHS saw BILL and BRIAN BARRET when they were in New England looking at schools for BILL.

MR. ED received nice letters from both RICH HART and ANDREW SUMMERS. Both are enjoying their teaching.

A belated Happy Birthday to DEE TITMAN who celebrated his 80th birthday this winter.

HOLLY and GLENN PARTRIDGE have bought a home in Texas and GLENN is very happy in his job. MR. and MRS. PARTRIDGE visited them during the Christmas holidays.

Another of our basketball players is MIKE THEISE. MIKE's team was runner-up in the league and he has a trophy to prove it! He participated in a Sports Marathon Night and shot baskets. He is now playing Little League baseball.

DR. and MRS. HEMBREE will be back at camp for the month of July. Both have had a busy year. MARK will be coming to camp and AMY was not quite sure whether she would be coming to Susquehannock or going to camp herself.

One of the rewards of being a camp director is the contact with former campers and staff. It is particularly gratifying when Susquehannock alumni send sons or grandsons to camp. This summer we are delighted to welcome CHRIS DAVIES, grandson of MR. THOMAS EBERT who was a camper with MR. ED, and NICK and DAVID JOHNSON, grandsons of MARSHALL WRIGHT. (Five of MRS. JOHNSON's COUSINS were also Susquehannock campers.)

MR. ED has also heard from former campers LAWRENCE POMEROY and JOHN NEWCOMB. Last summer MR. GEORGE had an interesting letter from a 1961 camper, BILL BANCROFT, who works for a company with which Susquehannock does business. When BILL saw the camp order and MR. GEORGE's name, it must have been nostalgia time. He reminded MR. GEORGE of the milk drinking contest that he and TEDD ALLEN had. He also wrote, "I never would have figured after so many hours rolling those courts of yours that I'd ever want to see a tennis ball or soft court again." (Ed. note: His company sells athletic equipment and clothing with heavy emphasis on tennis.) He speaks with ED SHAFFER and whit smith from time to time. He ended his letter, "If I never properly thanked you and ED for putting up with me those two months I do now."

Camp had visits from SCOTT DUGHI and ROD FORTRAN last summer. ROD is now working for the State Department of Labor for the state of New York and is living in Albany. He and his wife were expecting their first child last October. ROB said that he had bumped into BILL BURKEY in the Philadelphia airport. SCOTT and PETER DUGHI both live in Hackettstown, New Jersey. Both are married and PETER has a son.

STEVEN HUBBARD brother of DAVID will be joining our Susquehannock group this summer.

MR. and MRS. ROBERT SLAGLE have a granddaughter born last October to their daughter and son-in-law, JANET AND FRED JACOBS. JANET will be bringing JEFF and JULIANNE to camp for a visit this summer.

Your editor would like to thank all the campers and parents who sent information for Who's Who. We had the best response that we have ever had.

CINDY GILBERT has been doing double duty this year. She has been taking her regular Senior high school courses and also taking credits at the local college in York.

BILL PERRY following his hockey season at Kent School by playing hockey.

DAVE REEVE is again working at the Cape Cod Outdoor Educational Center. During his winter break, he spend some time in Vermont crosscountry skiing.

ALEC SHARPE started his lacrosse season for Franklin and Marshall on March 17 in a game against William and Mary. He writes that his courses are going well and he has decided on government as his major.

Although JAMEY and JON SAVITCH have both been working hard at school, they found time to play in a soccer league in the fall. They both played on the same basketball team which won the championship. JAMEY is also playing tournament tennis and was in an ETA tournament played in Syracuse.

Attention all riders! The saddle horses are in good shape and survived the winter well. They are pretty good at opening gates and just the other day all of them paid a visit to WINK's yard.

Congratulations to STEVE OSBER who was selected to play in the All County Band. STEVE plays the clarinet. He played basketball in the winter and is now playing Little League Baseball. Even with all these activities, he must have found time to study because he has been getting good marks in school.

LUI S MACCOU has been having a busy year at college. We are pleased that he will be returning to the staff in 1979.

KEVIN HUNDLEY spent a weekend with the Slagles in March during his spring break. He then went on to Tennessee and spent a week with CHARLIE SLAGLE.

Our Summit group is growing by leaps and bounds! Thanks to all you Summit campers who have convinced your friends that Susquehannock is a good place to spend some time. We'll do our best to prove you right!

JAMES MILLER is now attending boarding school in Australia. His family will be renting the White House in August and we are hoping that James will be with them.

ALEXANDER GELLERT paid visits to the Gilbert family in York and to the Slagles in Perryville, Maryland during the winter.

Every day that the weather is good from now until the opening of camp, WINK will be busy getting the camp ready for all of you. He will have help on Saturdays from several of the local high school boys as well as help from JOHN WALL once the weather is good enough to work a full 8 hours outside. He has already rolled the baseball fields so that your baseballs will not take too many strange bounces. The grass is growing now and soon it will be constant fight to keep it mowed. MR. ED has already ordered some new kitchen equipment and MR. GEORGE has ordered the new athletic equipment needed by both the Junior and Hill Camps. We are all working hard so that camp will run smoothly from Opening Day and so that you will have the best time ever.

Don't forget - if you have a friend whom you think might be interested in Susquehannock send his name and address to MR. ED. Who knows, by the time camp opens, you may have a LO AL GUARD JACKET waiting for you.

MRS. SLAGLE is sure that she saw WILL DAILE at one of the Penn State home football games last fall. Were you there, WILL?

AN IMPORTANT NOTE TO PARENTS. When returning the medical form for your son, please be sure that you sign the Parent's Authorization in the box in the lower right hand corner of the form.

PARKER, where are you and what have you been doing?

IN MEMORIAM

Last spring after Who's Who had gone to print, one of our former staff members passed away very suddenly. Mrs. Marion Strange, the wife of Ed, first came to Susquehannock in the early thirties. She spent some years living in the upstairs of the Lower Junior Lodge as a Camp Mother. (This section of the Lower Junior Lodge was torn down so we could build New Razz and New Hopp Inns.) After World War II, Marion and Ed lived at the camp's Guest House where Marion was Assistant Manager. In 1960, she became manager, a position she held until the Guest House was closed. Mrs. Strange had been a teacher in her home town of Drexel Hill. After the closing of the Guest House, she joined her husband Ed as one of the camp tutoring specialists in elementary subjects. The Stranges retired from camp after the 1975 season. We extend our sympathy to Ed and to the Strange's daughters, Nancy and Judy.

We regret to announce the passing in early January of Henrietta Bleicher. Henrietta and Ed retired from camp after the 1976 season because of her illness. She waged a gallant battle against this illness for a number of years and was always hopeful she could return to visit Susquehannock. The fact that we have such a fine Leather and Copper Craft Shop at camp now is due to its development by Mrs. Bleicher. We extend our sympathy to Mr. Edwin Bleicher and to her daughter and son-in-law, Bertina and Les Norford.

TRANSPORTATION TO SUSQUEHANNOCK

Because of the current gasoline crisis, we have arranged for bus transportation from the Philadelphia area on June 28th and July 25th and return trips on July 25th and August 21st. At this time, the pick-up and drop-off schedules have not been finalized nor has the price been set. This information will be sent to you at a later date.

Unless we have a large demand for a bus from the New York City area, we will continue to suggest certain Short Line buses which will be met at the Binghamton terminal. This information will also be sent at a later date.

For campers coming by air from the west or the south, it is suggested that you make connections with Allegheny at Pittsburgh for the trip to Binghamton. We will pick up campers at both the Syracuse and Wilkes-Barre/Scranton airports, but because of the distance, there is a sizeable increase in charge for transportation from the airport to camp.

We shall be more than happy to help you with transportation problems. Please do not hesitate to contact us.
